# CONFIDENCE

With Confidence, you try new things and learn all the time.

When you have self-confidence you don't allow doubt or fear to stop you. You think positively and trust that you have what it takes to handle whatever happens in life.

Without confidence, you feel worried and uncertain, and afraid of making a mistake.

Practicing confidence is knowing you are worthwhile whether you win or lose, succeed or fail. When you are confident in others, you rely on them and confide in them.
