# COURAGE

**Courage helps us do great things.**

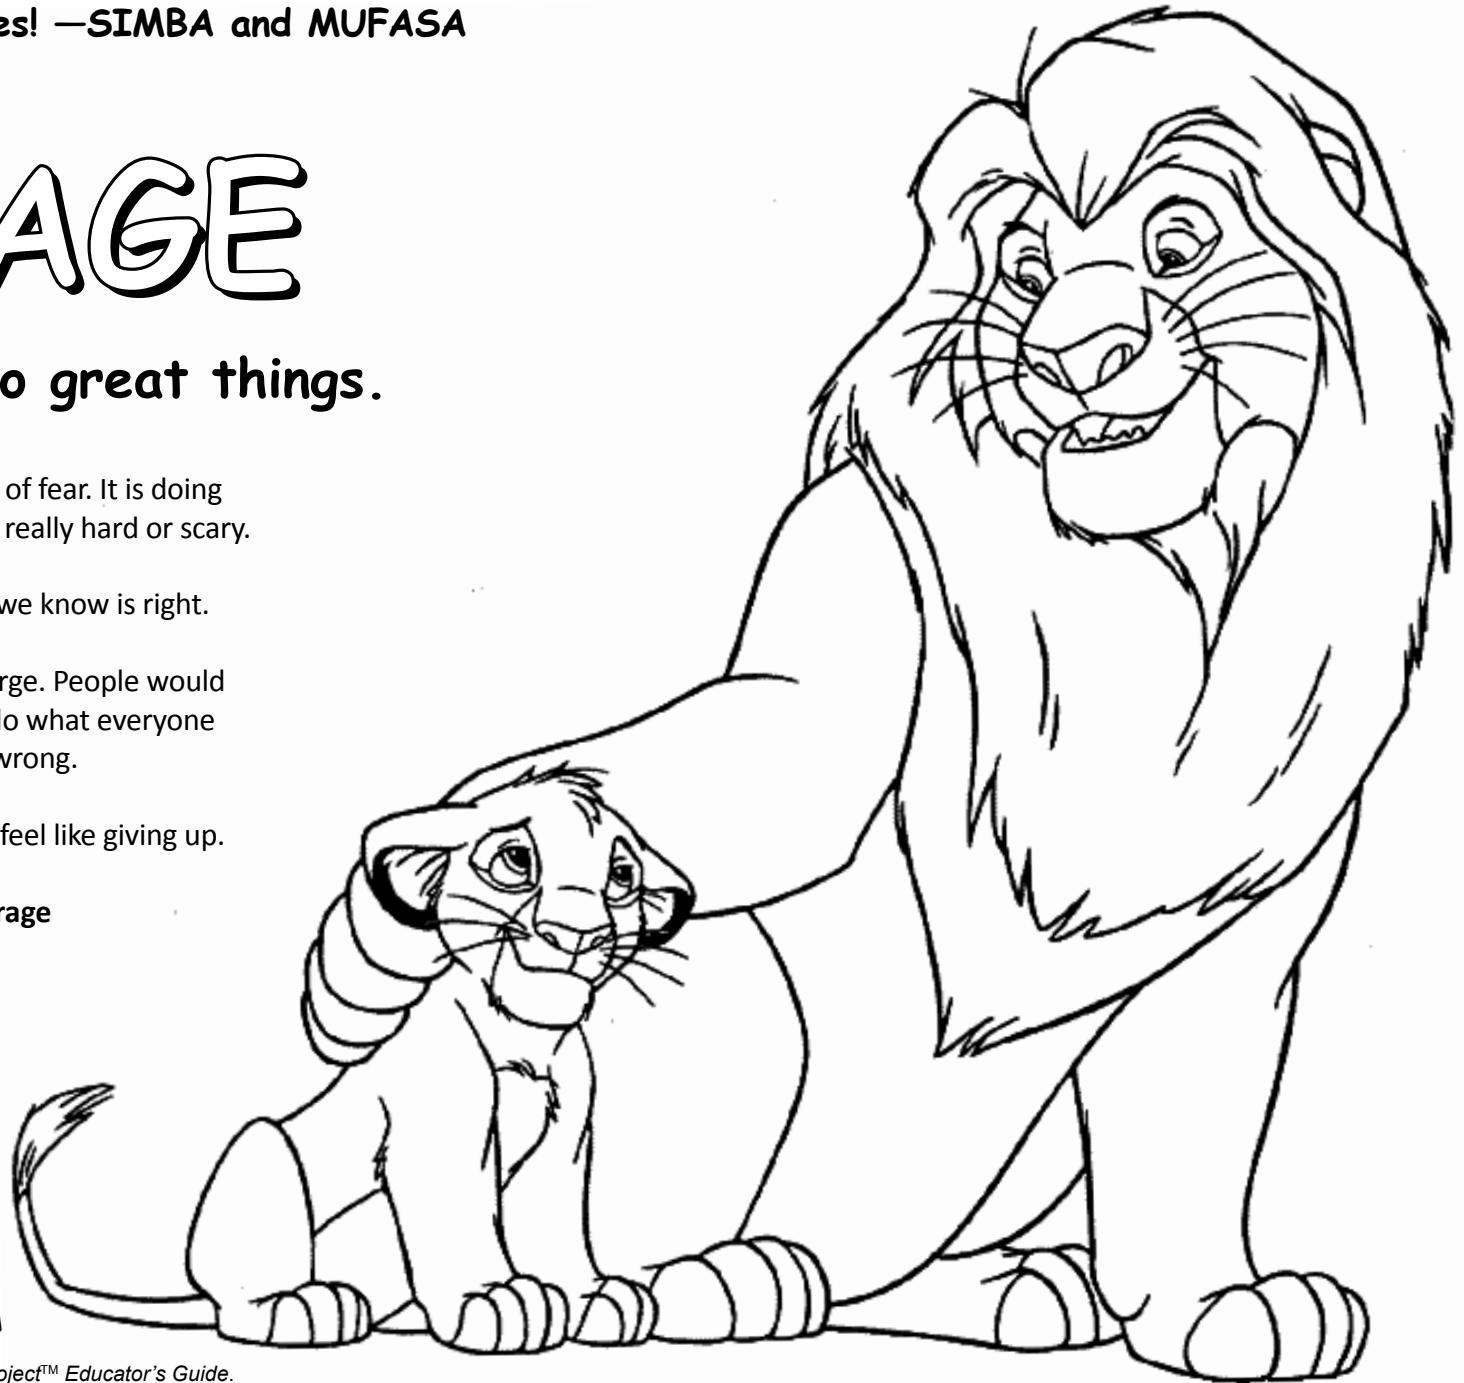

Courage is personal bravery in the face of fear. It is doing what needs to be done even when it is really hard or scary.

Courage helps us to stand up for what we know is right.

Without Courage, fear would be in charge. People would only do what is easy. Everyone would do what everyone else is doing, even if they knew it was wrong.

Courage is going ahead even when we feel like giving up.
