# FRIENDLINESS

**Friendliness is taking an interest in other people.**

Friendliness is going out of your way to make others feel welcome or to make a stranger feel at home. You can be friendly just by walking down the street, or the hall at school, looking into people's faces, and smiling at them. They will probably smile back!

If you are shy it can be hard to show friendliness. That's okay! Simply thinking friendly thoughts makes the world a better place!
