# GENEROSITY

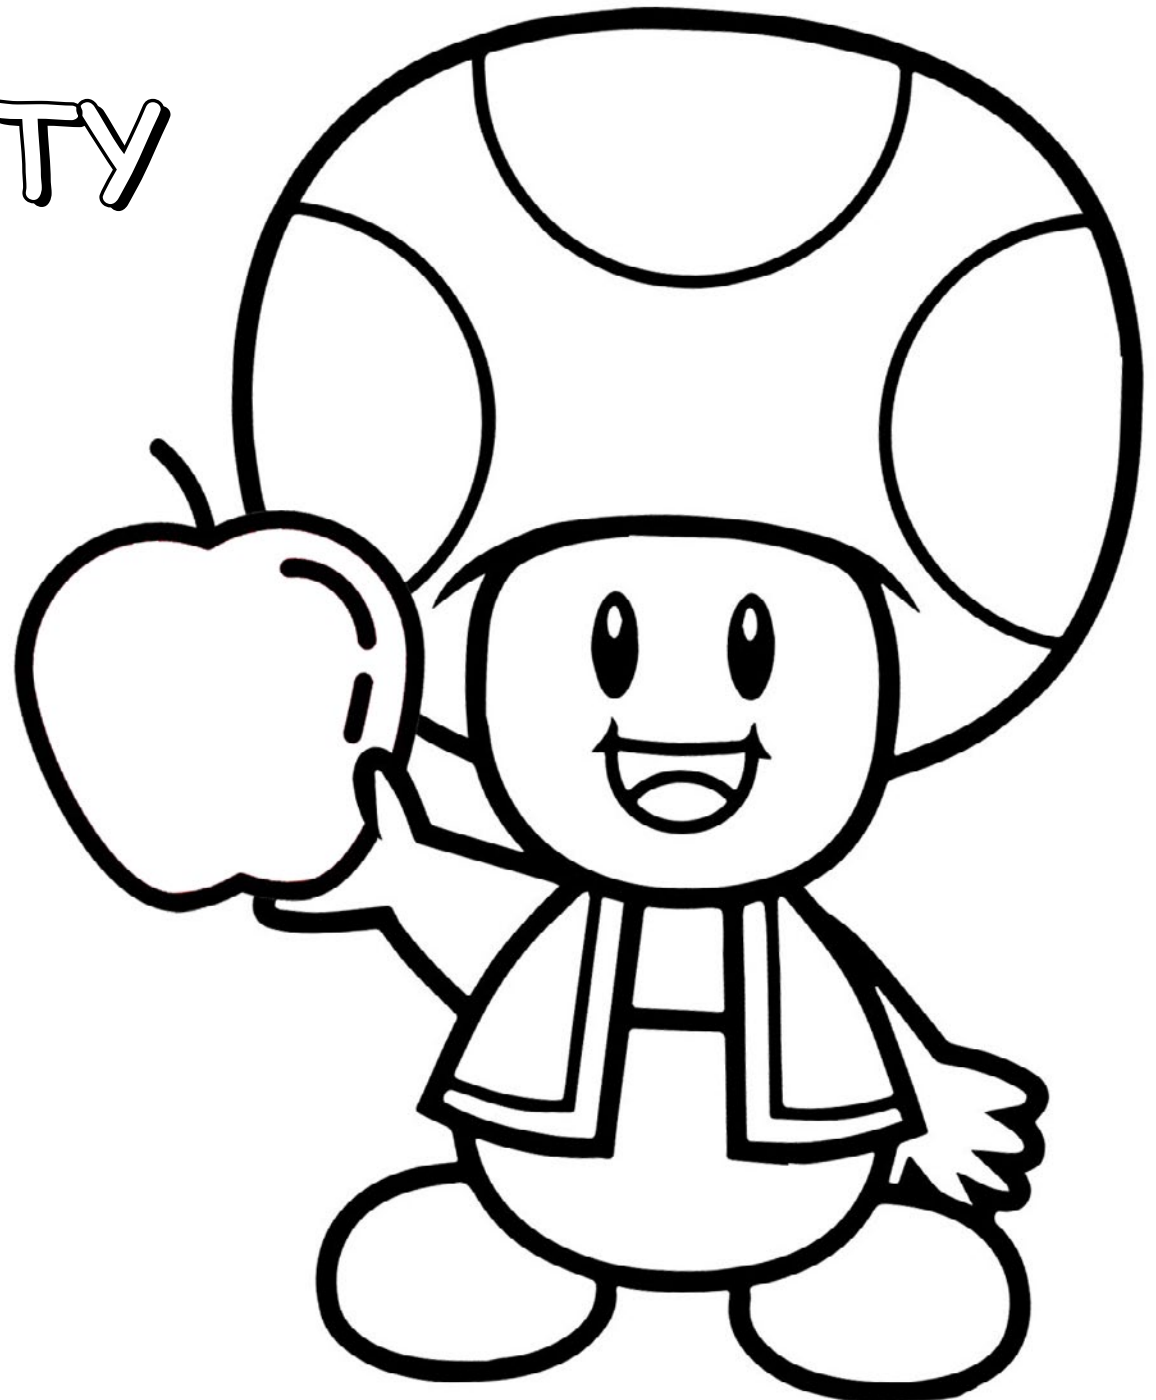

**Generosity is one of the best ways to show love and friendship.**

Generosity is giving and sharing. It is giving freely because you want to, not with the idea of receiving a reward or a gift in return. Generosity is being aware that there is plenty for everyone.

Without generosity, people act uncaring, refusing to share their belongings, their time, and their friendship. People who need help feel helpless because no one will give them what they need. When one person is generous, other people want to be generous too.
