# CLEANLINESS

**Cleanliness can be in your mind as well as your body.**

Cleanliness means washing often, keeping your body clean, and wearing clean clothes. When you practice cleanliness you feel (and smell!) fresh.

Cleanliness means keeping your room neat and clean.

A clean mind means that you keep your thoughts on things that are good for you. You can "clean up your act" by deciding to change when you have done something you aren't proud of or when you have made a mistake. It is "wiping the slate clean" and starting over when you want to improve yourself.
