RELIABILITY

Reliability means that others can depend on you.

Reliability is doing something that you have agreed to do in a predictable way, without forgetting or having to be reminded. People don't have to wonder if you will be on time.

When you are practicing reliability, others can count on you to do your best to keep your commitments. If there is any way at all to keep a promise you have made, you will do it, even if it is difficult.

When you are reliable, people can trust you to do your part.
