# JUSTICE

**Justice is standing up for your rights and the rights of other people.**

Practicing justice is being fair in everything we do. It is seeing with our own eyes and not judging something or someone by what other people tell us.

Without justice, people get away with hurting or taking advantage of others, and keep on doing it. When justice is practiced, if someone is accused of something they get a chance to tell their side of the story. With justice, everyone gets a fair trial.
