Be your "BEST" with Virtues! —MIKE THE KNIGHT

IDEALISM

Dare to have big dreams and then act as if they are possible.

A person with "high ideals" is someone who really cares about what is right and meaningful in life.

When we practice idealism, we have beliefs that mean something to us and we follow them. We don't just accept things the way they are. We don't ignore problems when we see them, such as people going hungry or someone being treated unjustly.

Being an idealist means believing in making the world a better place.
