# REVERENCE

**Reverence is behaving with an awareness that all life is precious.**

Reverence is showing respect. It is being careful to honor the gifts of life, including other people. Whether you are in nature or a place of beauty, reverence is being still and allowing the wonder you feel to shine through.

Reverence is the best way for each of us to hear the wisdom which comes from deep inside. It is choosing not to think of anything else. You concentrate your whole being on the sacredness of that moment. Reverence allows you to listen to your heart.
