STEADFASTNESS

Steadfastness is being steady and dependable.

Steadfastness is sticking with something no matter what. It is remaining true to someone or something in spite of any tests or obstacles that appear to stop you. When you are steadfastness, you commit yourself to something for however long it may take.

When we are steadfast we can shrug off the doubts because down deep we know where we stand and are committed for the long run. Others are reassured by the strength and dependability of our commitment.

With steadfastness we keep moving forward.
